

SECTION A – All About Site Allocations

We would like your help to decide where new development should take place in Guildford Borough in the future.

We are preparing the Site Allocations Development Plan Document (DPD) as part of the Guildford Development Framework (GDF). We are seeking your opinions on the key issues and options for allocating land for future development and preservation.

Your views are very important to us. Help us plan the future of Guildford Borough by letting us know what you think.

This consultation runs from 21 November 2007 to 30 January 2008. All comments should be received by 30 January 2008.

How to Comment

You can comment by completing and returning the enclosed response form, using the freepost envelope provided, or by completing the form online or downloading additional copies of the response form at www.guildford.gov.uk > Planning & Building Control > Consultations

To inform your comments, you may wish to see more information about each site, which is available in the separate Site Proforma document.

How to View the Related Documents

The documents listed below are referenced throughout this consultation paper.

- Site Proforma (includes a map, photograph and information about each site)
- Consultation Response Form
- Sustainability Appraisal Report
- Appropriate Assessment Report
- Evidence Base (Research Projects)
- Core Strategy (Submission Document)
- Glossary of terms (available in Section D of this document)

All of these documents can be viewed online at www.guildford.gov.uk > Planning & Building Control > Consultations

Hard copies are available to view at Guildford, Horsley, Ash and mobile libraries and at the Planning Reception located on the second floor of the Guildford Borough Council Millmead Office, Guildford (opening hours Mon-Thurs: 8.30am – 5pm, Fri: 8.30am - 4.30pm).

Electronic copies are available on CD upon request.

Copies of this document can be made available in different formats including different languages, Braille, large print and audio.

Background Information

Under the Government's new planning system, Guildford Borough Council is producing the Guildford Development Framework (GDF) planning for the period until 2018. The GDF is made up of a portfolio of documents which will gradually replace the Guildford Borough Local Plan (2003).

The Site Allocations Development Plan Document (DPD) is one of five DPD's being prepared as part of the GDF. Once adopted, the DPD's form the starting point for determining any planning application.

| <ol style="list-style-type: none"> 1. Core Strategy (submitted in October 2007) 2. Site Allocations 3. Town Centre Area Action Plan 4. Slyfield Area Action Plan 5. Statement of Community Involvement (adopted in February 2007) |
|--|

It is important to us that you are involved in the preparation of these documents. Each Development Plan Document (DPD) has key stages at which you have the opportunity to comment. Your comments help us prepare the next stage of the DPD. The key stages are;

After submission to the Secretary of State, the DPD is examined by a Planning Inspector, and if it is found to be sound, it is adopted for use by the Council.

What is the role of the Site Allocations DPD in the GDF?

The Core Strategy explains how the Borough is likely to change in the next few years, and how this will happen. It sets out the long term vision for Guildford Borough through the spatial strategy and identifies strategic policy criteria against which decisions about the use of land can be planned.

The Site Allocations DPD will identify the sites that will contribute to achieving the vision set out in the Core Strategy. It will include:

- Areas for preservation and enhancement (for example; Sites of Nature Conservation Importance and areas of open space)
- Sites which will meet the broad spatial strategy for locating development set out in the Core Strategy (including land for housing, employment, business, retail, leisure, transport or a mix of these and other uses).

The Site Allocations DPD has to conform with the Core Strategy and regional and national planning policy. It is our aim to find the most sustainable sites for development, to preserve and enhance the distinct character of Guildford Borough whilst at the same time meeting local needs and national targets (for example, providing affordable housing).

Process

The Site Allocations DPD will proceed through the following stages:

Issues & Options consultation	21 November 2007 – 30 January 2008
Preferred Options consultation	January 2009 – February 2009
Submission to the Secretary of State	November 2009
Examination	November 2010
Adoption	February 2011

Prior to this Issues and Options consultation, we carried out Early Stakeholder and Community Engagement, during which we asked for sites in Guildford Borough with development potential to be suggested to us. This included sites for any land use (including land for housing, employment, business, retail, leisure, transport, other uses or a mix of these), which have potential to be developed.

Thank you to all those who suggested sites to us. We are now presenting those sites for comment by others. We are also keen to hear about any other sites in Guildford Borough that you are aware of that have not been suggested so far, which have potential to deliver development in the next 12 years. We will consult you again in 2008 on any additional sites that are put forward during this consultation.

Each site will be considered through assessments and your comments, however, it must be noted that the spatial approach of the Core Strategy is to locate new housing in the urban areas and village settlements of the Borough, and avoid greenfield release. The Site Allocations DPD must conform with the Core Strategy.

Sustainability Appraisal

Sustainability Appraisal has been used to test the documents we are preparing for the Guildford Development Framework (GDF), to ensure that they do not conflict with the aims of sustainable development. The Sustainability Appraisal (SA) Report considers the likely significant sustainability effects of the sites suggested on a series of economic, social and environmental objectives. The appraisal findings help us to understand which of the options are the most sustainable.

Appropriate Assessment

Appropriate Assessment has been used to test the impact of the document we are preparing on the Thames Basin Heath Special Protection Areas (TBH SPA) and Habitats Regulations. The TBH SPA has been identified as an internationally important habitat for rare species of birds. There are a number of areas in Guildford Borough included within the Thames Basin Heaths Special Protection Area and it is important that we protect them.

Supporting Evidence (Research)

We have produced an evidence base which informs the preparation of the documents in the GDF. The evidence referred to in this Issues and Options paper includes the Borough's:

- Housing Potential Study (May 2006)
- Employment Needs Assessment (August 2007)
- Retail Needs Assessment (June 2006)
- Strategic Flood Risk Assessment (August 2007)
- PPG17 Audit of Open Space, Sport and Recreational Facilities (February 2006) and
- Gypsy and Traveller Accommodation Assessment (2006)

Status of this Document

This document is **not** a draft version of the Site Allocations DPD. It sets out the key issues that we believe should be considered when identifying land and lists site options which have already been suggested to us for future development. ***It does not follow that if a site is included in this document, it will definitely be identified in the Site Allocations DPD. This document does not set out the Council's view on any site.*** There are many more assessments to be done and

there are many planning constraints on development in Guildford Borough which must be taken into account.

Development on land which is allocated in the Site Allocations DPD for a specific use(s) will still require planning permission before development can commence.

SECTION B – To inform your response

We would like to give you some background information on specific issues in Guildford Borough, to help you to comment on the sites and suggest any more.

BUSINESS

Key Issues

Guildford Borough has experienced significant economic growth in the last 20 years, with the number of people working in the borough greatly increasing, and the type of employment changing from manufacturing and warehousing to service provision. This change has led Guildford to be identified as a 'regional hub' in the South East Plan, as it is a centre of economic activity and transport services.

In July - August 2006, respondents to the Core Strategy Preferred Options consultation commented that poorly located employment sites should be used for housing. The Employment Needs Assessment supports this approach. However, to maintain and promote Guildford's role as a regional hub, new commercial development will still be needed and will be encouraged to locate in Guildford Town Centre and at strategic business sites (as identified in the Core Strategy). These are sustainable locations where employees can travel to work by public transport.

Options

Please let us know what you think about the business sites suggested so far, and if you are aware of any other sites which could be suitable for business/employment development, or poorly located employment sites which could potentially be redeveloped for housing or a mixed use.

HOUSING

Key Issues

One of the most important roles of the GDF is to identify a sufficient amount of suitable land to develop for housing. The Government requires that we accommodate future growth, and sets housing targets to help us to achieve this. Guildford Borough is currently working towards an average target of 322 dwellings each year (draft South East Plan).

National planning policy says that we have to identify enough deliverable sites to meet the housing target for the next 15 years. The Site Allocations DPD will use information from the Housing Potential Study (June 2007), information gained from this Issues and Options consultation and future consultations (Preferred Options stage) to do this.

In Spring 2005, as part of the Core Strategy Issues and Options consultation, a large proportion of you told us that you do not want areas of the Green Belt to be developed to meet the housing target. In light of these comments, Guildford Borough Council maintains its desire to meet its housing targets in the urban areas and identified village settlements of the borough. Respondents also emphasised the risks posed to the character of the borough by higher density developments in inappropriate locations. A fine balance must be struck between meeting housing targets in the built up areas and protecting the character of the area.

Affordable housing is greatly needed in Guildford Borough. We have responded to your suggestions made during the Core Strategy Issues and Options consultation and have clarified the proportion of affordable housing required from new

development meeting the prescribed threshold as 35% (Infrastructure Supplementary Planning Document, 2006). We have also lowered the affordable housing thresholds in the Core Strategy, which will be adopted in 2009. Although these are significant steps which are welcomed, these alone will not meet the shortfall of affordable housing identified in the Housing Needs Survey update (2005).

Options

Please let us know what you think about the housing sites suggested so far, and if you are aware of any other sites which could be suitable for residential development (including affordable housing).

Gypsies & Travellers & Travelling Show People

Since the 1994 abolition of the duty on local and county authorities to provide Gypsy and Traveller sites, there has been a growing shortage of authorised sites. Most authorised sites are well run and integrated into the community, but a shortage of authorised sites has led to problems in some areas with unauthorised encampments, which can cause distress and uncertainty for local communities and Gypsy's and Travellers. Government guidance is clear that this problem will only be solved through both better enforcement and more site provision.

All councils are required to undertake an assessment of Gypsy's and Travellers' accommodation needs and to identify the location of appropriate sites through the Site Allocations DPD. Failure to do so could result in the Site Allocations DPD failing, by being classified as unsound by a Planning Inspector at examination. Sites within the Green Belt are normally inappropriate, yet if no other sites are available, a sequential approach to site identification can be taken. Sites within and towards the edge of urban areas/settlements are more likely to be appropriate.

The Gypsy and Traveller Accommodation Assessment has identified a need to provide more accommodation in West Surrey. Guildford Borough will therefore be required to provide more pitches, which must be allocated through the Site Allocations DPD. Sites which have development potential for a residential land use may also be suitable Gypsy and Traveller sites.

Options

Please let us know if you think that any of the sites suggested for residential use could be suitable accommodation for Gypsy and Traveller or Travelling Show people pitches, or if there are any other sites that you are aware of which may be suitable.

GUILDFORD TOWN CENTRE

Key Issues

We are currently preparing the final submission draft of the Town Centre Area Action Plan, which focuses on the future of the Town Centre and gives a template to allocate land for new development opportunities. Guildford Town Centre is the most sustainable location for future development in the borough. The Area Action Plan identifies key development sites in the Town Centre which have development potential for a mix of uses.

Options

Are you aware of any more potential development sites in Guildford Town Centre?

TRANSPORT AND TRAFFIC

Key Issues

The Local Planning Authority is able to make land use decisions and prepare land use policies which can affect traffic and transport through the location of development. It is, however, Surrey County Council (SCC) that is the Highways Authority and is responsible for the highway network and improvements to current transport systems. We are of course working with SCC to address transport issues in the borough.

We recognise that residents are very concerned about the impact of new development on congestion in Guildford Town Centre and surrounding areas. To address this we have adopted the Infrastructure SPD, which explains the financial and other contributions we will seek from new development through planning obligations to ensure that new development is supported by appropriate infrastructure and have completed a Transport Statement as part of the GDF evidence base.

National planning policy identifies town centres as the most sustainable place to locate new development. The policies in the Core Strategy attempt to steer development to the most sustainable locations of the borough. A future increase in the level of traffic in Guildford Borough has been identified by consultation respondents as a significant concern. We need to seek a balance between minimising traffic increase and its impact, and meeting the local and national requirements for new development.

Options

Are you aware of any potential development sites which are in locations which would not rely solely on the use of motor vehicles for access?

RETAIL

Key Issues

Guildford Town Centre is one of the most sought after retail locations in the country. An extension to the Friary Shopping Centre has been approved which will provide retail, professional and financial services, restaurants and cafes. The Retail Needs Assessment (June 2006) welcomes the Friary extension and emphasises the importance of moving forward, stating “standing still is akin to decline” (p.8). The study recommends that no further retail floor space be provided until the occupancy of the Friary extension development is known.

It remains important that the basic level of retail and service facilities are provided at district and local shopping centres as well as in Guildford Town Centre. Small retail units often occupy ground floor space as part of a mixed use development.

Options

Do you know of any potential development sites which could accommodate a mix of uses, including retail, to maintain the level of retail services within the Borough?

OPEN SPACE, SPORTS & RECREATIONAL PROVISION

Key Issues

In 2006 we carried out an audit of open space, sport and recreational facilities in Guildford Borough (PPG17 audit). This showed that:

- There is sufficient provision of accessible natural and semi natural green space;
- Although present in the borough, more allotments, community halls and built sports facilities may be required;
- There are deficits in amenity open space, playing fields, parks and children's playgrounds.

We would like to address the deficiencies identified in the PPG17 audit and any future requirements stemming from population increase. Land uses not frequently developed should also be considered through the Site Allocations process, for example, cemeteries and associated uses.

Options

Are you aware of any sites that could be used for open space, sport and recreational facilities (including children's playground facilities, cemeteries, allotments)?

OTHER ISSUES

Deliverability

Sites which have been proposed must have a high chance of being delivered to be selected as Preferred Options (the next stage of the process). Any site which you suggest or wish to support as an option at this stage must, upon further investigation following this consultation, have a realistic chance of being developed.

Flooding

The Guildford Borough Strategic Flood Risk Assessment will inform any decisions regarding allocating sites in areas of flood risk. All sites in areas of lowest flood risk must be considered before any site at risk of flooding. Some land uses will not be suitable in areas of high flood risk.

Special Protection Areas (SPA)

Areas in the north east and north west of Guildford Borough are covered by the Thames Basin Heaths Special Protection Area. In September 2006 Guildford Borough Council adopted the Special Protection Area 'Interim Avoidance Strategy' which seeks to protect endangered birds from the risks posed to their habitat by an increase in the number of people living close by. Natural England (formerly English Nature) considers that no development providing new units of residential accommodation should be permitted within 400m of a SPA.

Sustainability Appraisal

The Sustainability Appraisal report provides more information about the sustainability of each suggested site. The information in this report may help inform your comments.

SECTION C - Sites Suggested So Far

Consultation regulations stipulate that we must consult you on all of the sites suggested to us so far, even though some may have limited development potential. All sites selected as Preferred Options must be compliant with the Core Strategy's spatial approach (the development of previously developed land in urban areas and village settlements first). Sites where the suggested land use is not compliant with the Core Strategy will not be priorities when selecting Preferred Options. If the suggested use is not compliant with the Core Strategy, alternative potentially compliant uses may be put forward during this consultation, using the response form provided.

Information on the Core Strategy's spatial approach is provided below.

Location

- Locate development in sustainable locations on previously developed land. The main focus for major development will be in Guildford Town Centre.

Residential/Housing

- Meet the housing targets in the urban areas of Guildford, Ash and Tongham.
- In exceptional cases, allow small scale sites for affordable housing in the rural areas on sites adjacent or in close proximity to the settlement boundary.
- Sequentially meet the needs of Gypsies, Travellers and Travelling Show People by considering sites within the urban areas first, then the outskirts of urban areas and village settlements. In exceptional cases, if no suitable sites can be found in these locations, consider Green Belt/greenfield sites.

Therefore, any site which is suitable for residential development, may be suitable for affordable housing or Gypsy and Traveller accommodation.

Economy

- Retain key strategic employment sites
- Locate new business development in Guildford Town Centre and at key strategic employment sites.
- Allow the loss of up to 20% of poorly located non strategic employment land and buildings to other uses.
- Assist the diversification of Guildford's rural economy in a sustainable way.

Shopping

- Locate new retail development within the existing retail centres in accordance with the following hierarchy; Guildford Town Centre, District Centres, elsewhere in the identified shopping centres (small in scale).

Public Services/Facilities

- Locate leisure and culture uses that attract a large number of visitors within Guildford Town Centre.

Movement

- Locate major forms of traffic generating development in locations well served, or capable of being well served, by cycling, walking and public transport.

Environment

- Leave the Green Belt boundary unchanged from that in the Local Plan 2003;

Other Issues

Sites of Nature Conservation Importance (SNCI) amendments

- Surrey Nature Conservation Liaison Group has recommended increases and reductions in the size of the existing SNCI boundary. These are listed separately, following the list of suggested sites, with further information in the Site Proforma.

Sites with Planning Permission

The list includes some sites which already have planning permission. The sites continue to be listed as the granting of planning permission does not guarantee the development will commence before the planning permission expires. It is important that keys sites are allocated, even if permission has recently been granted, to safeguard aspirations for the sites.

Status of the List of Sites

It does not follow that if a site is included in this document, it will be identified in the final Site Allocations Development Plan Document. Great consideration and detailed assessment will be given to the sites on this list and the sites you suggest in response to this consultation before the Preferred Options are selected. We will consult you on the Preferred Options as we move towards selection of sites to allocate.

The sites that have been suggested so far are listed below. Some sites have been suggested multiple times (but in some cases, with different boundaries). These sites are listed once, alongside all corresponding reference numbers. Further information about each site (using the corresponding reference number) can be found in the Site Proforma (including a site map, photograph, planning constraints and other details).

If you would like to comment on any of the sites suggested to us so far, or would like to suggest any other potential development sites, please use the enclosed response form and post it back to us using the freepost envelope provided. You can continue on a separate sheet if necessary, however, responses without the covering front sheet will not be accepted. Alternatively, you can complete your response online at www.guildford.gov.uk > Planning & Building Control > Consultations.

SITES

Ref No.	Address	Ward	Suggested Land use
10	Land between Foreman Road and Grange Road Ash	Ash South and Tongham	Residential
11	Land at Foreman Road, adjacent to Foreman Park Ash	Ash South and Tongham	Residential
17	Land at The Croft, Foreman Road, Ash	Ash South and Tongham	Residential
20	3 Wandle Close, Ash Green, Aldershot, Hampshire, GU12 6JT	Ash South and Tongham	Residential
33, 64, 65	Land at Spoil Lane and Ash Green Lane, Tongham	Ash South and Tongham	Residential / Public Open Space (33), Residential (64, 65)
36	Land at Kingston House, 112 Poyle Road, Tongham	Ash South and Tongham	Residential

ITEM 6 - ANNEX I

43	Land to rear of South Lane, Ash	Ash South and Tongham	Residential
45	Land South of Ash Lodge Drive, Ash and Tongham	Ash South and Tongham	Residential / Open Space / Community Facility
57	Land to the east of Foreman Road, Ash	Ash South and Tongham	Residential / Community Facilities
62	Grange Court, Grange Road	Ash South and Tongham	Residential
69	Spoil Lane & Ash Green Lane West, Tongham	Ash South and Tongham	Residential
79	Land adjacent to and to the north of Poyle Farm, Poyle Road, Tongham	Ash South and Tongham	Residential
87	Land adjoining St Paul's School, Tongham	Ash South and Tongham	Open to suggestions
106	Land at 109 South Lane, Ash	Ash South and Tongham	Residential
122	Land to the side and rear of Anglesey, White Lane, Ash Green, Surrey, GU12 6HN (Site A)	Ash South and Tongham	Residential

92	Boxgrove School, Merrow	Christchurch	Open to suggestions
95	Land behind Spectrum	Christchurch	All Weather Playing Pitch
98	Stoke Park Bowling Greens	Christchurch	Indoor Tennis Courts
113	Land adjacent to Boxgrove Road railway bridge	Christchurch	Mini railway station

ITEM 6 - ANNEX I

132	43 - 45 London Road, Guildford	Christchurch	Residential
133	Stoke Park Nursery	Christchurch	Residential
144	Land at Collingwood Crescent	Christchurch	Open Space
148	Land at Cunningham Avenue	Christchurch	Open Space
1	Norrels Meadow, Norrels Drive, East Horsley, KT24 5DL	Clandon and Horsley	Residential and Holiday Lodges
13	Waterloo Farm, Ockham Road North, West Horsley	Clandon and Horsley	Residential
15	Land at Manor Farm, East Lane, East Horsley (Plot 1)	Clandon and Horsley	Residential
155	Land at Manor Farm, East Lane, East Horsley (Plot 2)	Clandon and Horsley	Residential
16	Bell and Colvill, Epsom Road, West Horsley	Clandon and Horsley	Include within West Horsley Settlement Boundary
24	Land at Bridge Cottage, Ripley Lane, West Horsley	Clandon and Horsley	Residential with possible Community Facilities
26	Land parcel no.136, Little Cranmore Lane, West Horsley	Clandon and Horsley	Residential
60	Land to the south of Lime Close and Woodstock and North of Bennett Way, West Clandon	Clandon and Horsley	Residential
61, 158	Land to the north of Bennett Way	Clandon and Horsley	Residential (61), Residential / Inclusion within West Clandon Settlement Boundary (158)
90	East Horsley Countryside Depot	Clandon and Horsley	Open to suggestions
117, 240	Land north of railway line and west of Ockham Road North	Clandon and Horsley	Residential, Retail, Commercial, Employment, Leisure (117), Residential by inclusion in the East Horsley settlement boundary (240)
139	Land off Ripley Lane	Clandon and Horsley	Residential
140	Land at Roundtree Farm, West Horsley	Clandon and Horsley	Residential
99	Former St Lawrence School Playing Fields off Church Road Effingham	Effingham	Residential / Small graveyard extension
164	The Home Farm Estate Plot A - Site north of Chester Road	Effingham	Public / private Gypsy and Traveller site
237	The Home Farm Estate Plot B - Corner site at Salmons Road	Effingham	Public / private Gypsy and Traveller site
188	Grove House, St Teresa's School, Effingham	Effingham	Residential
238	The Home Farm Estate Plot C - Land between 77 and 80 Calvert Road	Effingham	Public / private Gypsy and Traveller site
239	The Home Farm Estate Plot D - Land between 67 and 75 Calvert Road	Effingham	Public / private Gypsy and Traveller site
215	Woodbridge Park Industrial Estate	Friary St. Nicolas	Employment / Hotel
8	Land rear of 77 – 121 Walnut Tree Close, Guildford	Friary St. Nicolas	Residential

ITEM 6 - ANNEX I

63	Guildford Fire Station, Ladymead, Guildford	Friary St. Nicolas	Fire Station and Commercial or Residential
85, 175, 219	Ladymead Fire Station, Guildford	Friary St. Nicolas	Open to suggestions (85), Residential (175), Residential or Hotel (219)
100	Land on either side of Walnut Tree Close near the bend	Friary St. Nicolas	Residential
108, 109, 134, 211	Guildford Plaza (former CEGB/electricity board site)	Friary St. Nicolas	Residential (108, 109, 134), Offices (211)
129, 214	Farnham Road Hospital, Guildford	Friary St. Nicolas	Residential (129), Residential, Hotel, Retail, Office, Open Space (214)
149	Land south and rear of St Saviour's Rectory, Guildford	Friary St. Nicolas	Open Space
172, 212, 218	Bellerby Theatre, Guildford Youth and Community Centre and neighbouring land and buildings	Friary St. Nicolas	Residential (172), Residential, car park, community facilities, open space (212), Residential, Community, Public House, Office (218)
173, 207, 216	Bedford Road Car Park	Friary St. Nicolas	Residential (173), Residential, Retail, Offices, Bar / Restaurant (207), Residential, Leisure, Retail, Offices, Hotel (216)
179, 208	Mary Road Car Park	Friary St. Nicolas	Residential and parking (179), Short stay public car parking / Residential (208)
210, 217	Former Farnham Road Bus Station	Friary St. Nicolas	Residential, Offices, Community, Cultural, Hotel (210), Residential, Hotel, Retail, Office, Open Space (217)
230	Telephone Exchange site, Leapale Lane	Friary St. Nicolas	Open to suggestions
231	Corner Site at Leapale Lane / Haydon Place junction	Friary St. Nicolas	Open to suggestions
232	Bus Depot, Leas Road	Friary St. Nicolas	Open to suggestions
233	Pembroke House, Mary Road	Friary St. Nicolas	Open to suggestions
234	Site at Station View	Friary St. Nicolas	Open to suggestions
243	Land opposite High View Road	Friary St. Nicolas	Burial Land
205	Land bounded by North Street, Onslow Street and Leapale Road, Guildford	Friary St. Nicolas	Retail, Residential, Bus Depot, Open Space
6	Old Basket Works, Sydenham Road	Holy Trinity	Residential / Commercial / Office
7, 236	Old Reservoir, Pewley Hill	Holy Trinity	Recreation / Community facilities / Open Space (7), Open to suggestion (236)

ITEM 6 - ANNEX I

68	The Old Baskets Works, neighbouring yard, and derelict building to the rear, Sydenham Road, Guildford	Holy Trinity	Residential
86, 186	Family Centre, Warwicks Bench, Guildford	Holy Trinity	Open to suggestions (86), Residential (186)
88	Adult Education Centre and Harvey Gallery, Sydenham Road and corner site at Brodie Road	Holy Trinity	Open to suggestions
93	Pupil Referral Unit, Pewley Hill	Holy Trinity	Open to suggestions
96	Guildford Rowing Club, River Wey, Millbrook	Holy Trinity	Redevelopment of clubhouse
97	Shalford Park Changing Facilities	Holy Trinity	Development of changing rooms
121	Chantry Lodge, Pilgrims Way, Guildford, Surrey, GU4 8AW	Holy Trinity	Residential
146	Land adjoining 2 Sydenham Road	Holy Trinity	Open Space
174, 213	Bright Hill Car Park	Holy Trinity	Residential and redeveloped car park (174), Residential & public car parking (213)
187	Adult Education Centre and Harvey Gallery, Sydenham Road	Holy Trinity	Residential
193	Reservoir at top of Pewley Hill	Holy Trinity	Open Space
206	Civic Hall	Holy Trinity	New Civic Hall, Residential, Office
209	Land adjoining the Electric Theatre	Holy Trinity	Offices, community, education or mix of such uses
229	The Old Baskets Works, neighbouring yard, derelict building to the rear, and houses at Poyle Terrace, Sydenham Road, Guildford	Holy Trinity	Open to suggestions
235	London Road Station	Holy Trinity	Open to suggestions
244	1B Sydenham Road and rear car park	Holy Trinity	Residential
53, 54	Former Wisley Airfield	Lovelace	Residential / Commercial (53), Residentially led, mixed-use scheme (54)
55	Brick Kiln Copse	Lovelace	Reinstated to Green Belt / Woodland
91	Ripley smallholdings	Lovelace	Open to suggestions
104	Land north of former Wisley Airfield	Lovelace	Waste Disposal
145	Land adjacent to White Hart Court	Lovelace	Open Space
157	Former Highland Nurseries, Portsmouth Road, Ripley, Surrey	Lovelace	Residential - Affordable / Market
159	RHS Garden Wisley, Woking, Surrey, GU23 6 QB	Lovelace	Development of existing activities
180	White Hart Court, Ripley	Lovelace	Residential
190	Land west of Ripley	Lovelace	Residential and / or commercial
72, 224	Polesden Lane, Send	Lovelace / Send	Residential / Mixed Use (72), Residential (224)
84	Merrow Depot	Merrow	Open to suggestions
89	Thorncase Hostel / Special School, Merrow	Merrow	Open to suggestions

ITEM 6 - ANNEX I

227	NW Guildford	Westborough / Worplesdon	Amendments to SNCI boundary
228	Land around Wisley Airfield	Lovelace	Amendments to SNCI boundary

SECTION D – Glossary of Terms

(for more terms see the Planning Portal website – www.planningportal.gov.uk).

Affordable Housing (or sub-market housing)	Housing, whether for rent, shared ownership or outright purchase, provided at a cost considered affordable in relation to incomes that are average or below average, or in relation to the price of general market housing.
Annual Monitoring Report (AMR)	A report submitted to the government by local planning authorities or regional planning bodies assessing progress with and the effectiveness of a Local Development Framework.
Area Action Plan	A type of Development Plan Document focused upon a specific location or an area subject to conservation or significant change (for example major regeneration) e.g. Town Centre Area Action Plan, Slyfield Area Action Plan.
Density	In the case of residential development, a measurement of the number of dwellings per hectare.
Development Plan Document (DPD)	<p>Development Plan Documents are prepared by local planning authorities and outline the key development goals of the Local Development Framework.</p> <p>Development Plan Documents include the Core Strategy, site-specific allocations of land and, where needed, Area Action Plans. There will also be an adopted proposals map which illustrates the spatial extent of policies that must be prepared and maintained to accompany all DPDs.</p> <p>All DPDs must be subject to rigorous procedures of community involvement, consultation and independent examination, and adopted after receipt of the inspector's binding report. Once adopted, development control decisions must be made in accordance with them unless material considerations indicate otherwise.</p> <p>DPDs form an essential part of the Local Development Framework.</p>
Evidence Base	The information and data gathered by local authorities to support the "soundness" of the policy approach set out in Local Development Framework documents, including physical, economic, and social characteristics of an area.
Green Belt (not to be confused with Green Field)	<p>A designation for land around certain cities and towns, which aims to keep this land permanently open or largely undeveloped. The purposes of the Green Belt is to:</p> <ul style="list-style-type: none"> • check the unrestricted sprawl of large built up areas • prevent neighbouring towns from merging • safeguard the countryside from encroachment • preserve the setting and special character of historic towns • assist urban regeneration by encouraging the recycling of derelict and other urban land <p>Green belts are defined in a local planning authority's Development Plan. (Guildford's is currently shown on maps of the Local Plan 2003).</p>
Green Field Land	Land (or a defined site), usually farmland, that has not previously been developed.
Local Development Documents (LDDs)	These include Development Plan Documents (which form part of the statutory development plan) and Supplementary Planning Documents (which do not form part of the statutory development plan). LDDs collectively deliver the spatial planning strategy for the local planning authority's area.

<p>Local Development Framework</p>	<p>The Local Development Framework (LDF) is a non-statutory term used to describe a folder of documents, which includes all the local planning authority's Local Development Documents. An LDF is comprised of:</p> <ul style="list-style-type: none"> • Development Plan Documents (which form part of the statutory development plan) • Supplementary Planning Documents <p>The Local Development Framework will also comprise of:</p> <ul style="list-style-type: none"> • the Statement of Community Involvement • the Local Development Scheme • the Annual Monitoring Report • any Local Development Orders or Simplified Planning Zones that may have been added <p>We call the (LDF) the Guildford Development Framework (GDF).</p>
<p>Local Development Scheme (LDS)</p>	<p>The local planning authority's time-scaled programme for the preparation of Local Development Documents that must be agreed with government and reviewed every year.</p>
<p>Site of Nature Conservation Importance (SNCI)</p>	<p>Locally important sites of nature conservation adopted by local authorities for planning purposes.</p>
<p>Site of Special Scientific Interest (SSSI)</p>	<p>A site identified under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) as an area of special interest by reason of any of its flora, fauna, geological or physiographical features (basically, plants, animals, and natural features relating to the Earth's structure).</p>
<p>Soundness</p>	<p>A Development Plan Document is considered sound if it is based upon good evidence and has been prepared in accordance with all the necessary procedures including the measures set out in the authority's Statement of Community Involvement.</p>
<p>Spatial Planning</p>	<p>Spatial planning goes beyond traditional land use planning to bring together and integrate policies for the development and use of land with other policies and programmes which influence the nature of places and how they function.</p> <p>This will include policies which can impact on land use by influencing the demands on, or needs for, development, but which are not capable of being delivered solely or mainly through the granting or refusal of planning permission and which may be implemented by other means.</p>
<p>Spatial Vision</p>	<p>A brief description of how the area will be changed at the end of a plan period.</p>
<p>Special Protection Area</p>	<p>Sites classified under the European Community Directive on Wild Birds to protect internationally important bird species, for example, the Thames Basin Heath Special Protection Areas (TBH SPA).</p>
<p>Statement of Community Involvement (SCI)</p>	<p>The Statement of Community Involvement sets out the processes to be used by the local authority in involving the community in the preparation, alteration and continuing review of all local development documents and development control decisions. The Statement of Community Involvement is an essential part of the new-look Local Development Frameworks.</p>
<p>Supplementary Planning Document (SPD)</p>	<p>A Supplementary Planning Document is a Local Development Document that may cover a range of issues, thematic or site specific, and provides further detail of policies and proposals in a 'parent' Development Plan Document.</p>

<p>Sustainability Appraisal</p>	<p>An appraisal of the economic, environmental and social effects of a plan from the outset of the preparation process to allow decisions to be made that accord with sustainable development.</p>
<p>Sustainable Development</p>	<p>A widely used definition drawn up by the World Commission on Environment and Development in 1987: "Development that meets the needs of the present without compromising the ability of future generations to meet their own needs."</p> <p>The government has set out four aims for sustainable development in its strategy A Better Quality of Life, a Strategy for Sustainable Development in the UK.</p> <p>The four aims, to be achieved simultaneously, are:</p> <ul style="list-style-type: none"> • social progress which recognises the needs of everyone • effective protection of the environment • prudent use of natural resources • maintenance of high and stable levels of economic growth and employment.
