

# 9 Community Recyclers

**INTERESTED IN WASTE ISSUES?**

**WANT TO INCREASE YOUR AREA'S RECYCLING RATE?**

**Become a Community Recycler! Your Community needs YOU!**

Recycling levels are increasing - but we know we could do even better with the help of people like you.

Could you convince other residents that recycling really is important?

Could you persuade your family and friends that it's one of the best ways to reduce waste and avoid more landfill? Then why not volunteer to become a Community Recycler?

Full training will be given and there is a handy information pack available.

Funding is available to Community Recyclers for promoting recycling and recycling events, such as Junk Swaps.

Full support is provided by Guildford Borough Council Recycling Team.

To join please call: 01483 445 084
