January 2009

**A Happy New Year to all our members!**

### **ASSOCIATION DINNER - February 25**

We have arranged a dinner for members in the Park Room Restaurant, on the Guildford College campus, at 19.30 on February 25.

This will feature a menu of German dishes specially devised for us by the final-year catering students at the College. Those members who have dined at the Park Room will know what excellent food is served there and we are sure our meal will be no exception.

The cost will be £15, excluding wine.

Please return the form below to Katie Butcher with your cheque & a stamped addressed envelope for your ticket by February 16.

## 30th ANNIVERSARY OF THE TWINNING

2009 is the thirtieth anniversary of Guildford's twinning with Freiburg and we hope to arrange some special events to celebrate this fact. Suggestions from members of what they would like to see happen will be very welcome. Let me have them as soon as possible (Peter Slade Tel. 01483 531472 e-mail [peterslade@ntlworld.com](mailto:peterslade@ntlworld.com)).

## GUILDFORD - FREIBURG CHURCHES LINK

Revd Stanley Hemming-Clark has asked us to publicise this summer's event arranged by the Guildford-Freiburg Churches Link

The next visit to Guildford by **Freiburg church members** has been arranged for **MAY 21 to 29**. This is a fully ecumenical event and numbers so far indicate that it will be a well-supported visit.

We need **offers of hospitality** for our guests. This may be either for all or part of the period. Briefly, this involves a Bed and Breakfast for each day and night, some evening meals (some events are communal), either taking guests to the day's meeting point or ensuring that they know how to get there. If these things pose a problem on any particular day, we can usually arrange to share meals or transport.

A full and interesting Programme has been arranged: host(esse)s are welcome to attend events if they wish. Sunday is normally spent with host(esse)s, who may take guests to their usual church.

Offers to and further information from:

## Environmental Visit to Freiburg June 2009

The Association and the Guildford Environmental Forum hope to organise an environmentally-themed trip to Freiburg from about June 17 to 21. This will involve visits to some of the environmental schemes and buildings for which our twin city is world-renowned and we hope that some background talks can also be arranged.

The visit will coincide with the annual Partner Cities Fair, to which all nine of Freiburg's partner cities are invited and in which we shall as usual be participating. As 2009 is the 30th anniversary of the twinning we hope to arrange some special events at the Fair.

Method of travel will depend on the number of people who go.

If you are interested please complete the form below and return it by **January 19**.
