In order to ensure that an inscription will fit onto the granite tablet, please note the following information:

- The name uses a larger typeface than the remainder of the inscription therefore it may not exceed more than 15 letters and/or spaces per line.
- Lines not used for names may have a maximum of 20 smaller letters and/or spaces.
- A maximum of 2 lines should be used for names. If a third line is required for names line 6 may not be used.
- Do not forget to include the spaces in your inscription. A space counts as a letter or number.
- We will centre the text on the tablet; this guide box is only to aid your choice of inscription.
- The inscription must be clearly written in block capitals. We are unable to accept responsibility for any inscription due to illegible or ambiguous writing.
