

Programme Officer Note
Inspector Matter and Issues and Guidelines

It is very important that you read and digest the Inspector Guidelines document number ID/2 Rev1. and, note the deadlines for further statements and for confirming your intentions with regards to taking part in the Oral Hearing Sessions.

As you may be aware European General Data Protection Regulations (GDPR) are due to come into force on 25th May 2018. If you have not confirmed to us that you wish to continue to receive correspondence from us I would ask that you please do this now. Our next step is to produce the timetable for the hearing sessions. What I can give to you at this stage is an outline schedule as follows,

- Matters 1-6 from Tuesday 5th June 2018 for 3 days
- Matters 7-10 from Tuesday 12th June 2018 for 3 days
- Matter 11 from Tuesday 26th June 2018 for 3 days
- Matter 11 continued from Wednesday 4th July for 2-3 days

The full Draft timetable will be published after the 2nd May 2018 deadline for confirming participation in the Oral Hearing Sessions with detailed Session Agendas from the Inspector to follow.

Chris Banks
Programme Officer
