

## BTEC Course Providers

On the 9 December 2015, Guildford Borough Council updated its Taxi and Private Hire Licensing Policy to require all new Hackney Carriage and Private Hire Drivers to have completed a BTEC Qualification in “the role of the professional taxi and private hire driver”.

Additionally, all drivers licensed before the 9 December 2015 must complete this qualification by the 1 January 2019 and may not have their badge renewed after this date if they do not complete the Qualification.

The Council maintains a list of providers of the BTEC Course. These providers are not endorsed or recommended by the Council. Any provider is also able to request to be included on the list.

Each provider will set their own fees for the Course, and schedule their own timetable. Drivers are responsible for paying all fees associated with the Qualification and are advised to contact a provider to suit their needs.
