Adoption Statement

Guildford borough Local Plan: strategy and sites

In accordance with the above regulations, notice is hereby given that Guildford Borough Council formally adopted the Guildford borough Local Plan: strategy and sites (“the Plan”) on **25 April 2019**.

The Plan sets out our vision, objectives and strategy for the borough up to 2034. The document contains overarching planning policies and allocates land for housing, employment, community facilities and other types of development. Many of the policies contained within the Plan supersede a number of the saved policies of the Guildford Local Plan 2003. Appendix 8 of the Plan lists the policies of the 2003 Local Plan that are replaced. The Local Plan 2003 policies that are not superseded will be retained and continue form part of the development plan for the borough.

Mr Jonathan Bore, the Inspector appointed by the Secretary of State to undertake the examination of the Submission Guildford borough Local Plan: strategy and sites, issued his final report on **27 March 2019**. The report was published by the Council on **28 March 2019**. The report concludes that, with the recommended main modifications, the Plan satisfies the requirements of Section 20(5) of the Planning and Compulsory Purchase Act 2004 and meets the criteria for soundness in the National Planning Policy Framework.

The Plan incorporates all of the main modifications to the version of the Plan that was submitted by the Council to the Secretary of State in December 2017 (Submission Plan), as recommended by the Inspector in his final report. The Plan also incorporates Guildford Borough Council’s additional minor modifications to the Submission Plan.

A schedule setting out the main modifications is available at:
