## INSTRUCTIONS FOR COMPLETING INSCRIPTION FORM

Enter wording required in grid overleaf:
In order to ensure that an inscription will fit onto the granite tablet, please note the following information:

* Lines containing a name are limited to 18 letters and spaces. This is because names are inscribed in large letters.
* Please note there is only enough height for 3 name lines.
* Lines 5 and 6 are limited to 17 letters or spaces for each line to allow for fixing holes
* All other lines of the inscription - maximum of 25 letters and spaces

Do not worry about centering your inscription - this will be done foryou.
Please write clearly - we cannot accept responsibility for an inscription due to illegible or ambiguous writing.
While every effort will be made to follow your inscriptions we reserve the right to alter or amend inscriptions as necessary.

Please note that you will receive a proof for approval via email before the order is finalised. Please ensure that you have supplied an email address for this purpose.
