

## Rose memorial options

Rose	Colour	Description	Images
<a href="#">Golden Wedding</a>	Yellow	An excellent memento to mark 50 years of marriage. An attractive floribunda rose producing well shaped, fragrant blooms of golden yellow. Clothed well with very attractive, glossy dark green foliage.	
<a href="#">Happy Ruby Wedding</a>	Red	A mass flowering Hybrid tea rose. A stunning display of elegant, sweetly scented, bright ruby red flowers produced en-masse throughout the summer into the autumn. A strong, upright and vigorous growth habit. This rose makes the perfect gift for that special couple celebrating their Ruby Wedding.	
<a href="#">Alec's Red</a>	Red	A vigorous, large flowering hybrid tea rose with an outstanding rich, sweet fragrance. Large blooms of a cherry red colour are produced in abundance throughout the flowering season. Foliage is of a healthy glossy green nature.	
<a href="#">Remember Me</a>	Orange	A large flowering hybrid tea rose. Slightly fragrant, well-shaped blooms of a deep copper and orange blend are produced freely in clusters throughout the summer through to the autumn. Vigorous upright growth. Foliage is dark green and glossy.	
<a href="#">Savoy Hotel</a>	Pink	A large flowering hybrid tea rose. Slightly fragrant well-formed blooms are produced throughout the summer into the autumn. Flowers of a soft pink in colour are produced on vigorous leafy branching stems. Dark green, glossy foliage. Named to mark the centenary of the 'Savoy Hotel'.	

**Ordered in the last two years**

Rose	Colour	Description	Picture
<a href="#"><u>Fragrant Cloud</u></a>	Red	A large flowering Hybrid Tea rose. Large, coral red, intensely perfumed flowers are produced freely from summer until the first frost. Dark green, glossy foliage	
<a href="#"><u>Arthur Bell</u></a>	Yellow	A large flowering Floribunda rose. Large golden yellow blooms are produced in clusters throughout the flowering season. Flowering starts very early in the season into the autumn. These fade to a creamy colour with age. The fragrance of this variety is rarely matched by any other floribunda variety. Dark green, leathery foliage.	
<a href="#"><u>Ingrid Bergman</u></a>	Red	A large flowering Hybrid Tea rose. Large velvety dark red flowers are borne singly on strong stems. Slight spicy fragrance. Glossy, dark green, leathery foliage. Vigorous compact rose makes it an ideal choice as a bedding rose. Good for cutting.	
<a href="#"><u>Pascali</u></a>	White	A medium sized flowering Hybrid Tea rose. Slightly fragrant, well-shaped blooms are produced throughout the summer and autumn. Blooms are rain resistant and hold their shape well. Foliage is a medium glossy green. Fantastic if used as a cut flower. Hardy.	
<a href="#"><u>Peace</u></a>	Yellow / Pink	A large flowering Hybrid Tea rose. The most famous rose of all time. Slightly fragrant, dark yellow, edged pink blooms are produced throughout the summer and autumn. Vigorous dark green and glossy foliage.	
<a href="#"><u>Simply The Best</u></a>	Pink / Yellow	ROSE OF THE YEAR 2002. Official rose of the XVII Commonwealth Games. A large flowering Hybrid Tea rose. Magnificent burnt mandarin blooms are produced repeatedly throughout the summer into the autumn. Dark green, glossy foliage, red when new.	
<a href="#"><u>Super Trouper</u></a>	Orange	NOVELTY ROSE OF THE YEAR 2010. Large numbers of well formed, vibrant orange blooms are produced repeatedly throughout the season. This variety stands out whatever the weather with its unfading blooms. Foliage is dark green and glossy..
