Part 3 Operating Schedule

When do you want the premises licence to start?

02/18/2021

If you wish the licence to be valid only for a limited period, when do you want it to end?

Please give a general description of the premises (please read guidance note 1)

Manor Farm Craft Centre is a small development of converted agricultural buildings in Seale. The premises form an L-shape unit in one corner of the centre. The premises have since November 2020 have been used by the applicant as a 'pop-up' wine shop operating from time to time under Temporary Event Notices.

Internally the premises comprises a main ground floor retail space, a small wine tasting / events area, two ancillary / storage rooms, and a mezzanine space (used as a staff office and meeting room).

The premises is intended principally as a shop selling wine, beer, spirits, non-alcoholic drinks and other general food & drink provisions. We also propose to use the premises for wine tastings and events for small groups, as well as offering a limited number of customers the opportunity to consume on the premises. The hours of operation we are proposing are indicative of the need to retain the flexibility to operate as a shop and to be able to offer events throughout the week.

We have to date (during the 'pop-up' phase in November and December 2020) been following typical opening hours of 11am to 6pm and while we reserve the right to alter this depending on operating requirements, this remains indicative of the standard operating hours for the shop, plus evening events.

Any detail displayed on the plans provided that is not required by licensing plans regulations is indicative only and subject to change at any time.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
