Dear Satish

Further to my earlier email I have now received a legal view that basically states that as this film is being misrepresented as a broad range of opinions and it is clearly a piece of pro-plan propaganda then ,showing it where we are, at a sensitive moment in the consultation process, we are putting that process in peril.

By feeding the public a biased view, masquerading as a balanced one then the whole 6 week process is being placed in unnecessary jeopardy.

That's only one lawyers view of course but he is quite senior . I leave it to GBC to make the call.

Regards

Colin Cross
