Section 1 The purpose of the licensing policy

- 1.1 This policy is prepared under Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009. It was approved by Guildford Borough Council as the licensing authority for the Guildford Borough Council area on ##date## with immediate effect. It will be reviewed every three years.
- 1.2 This policy is concerned with the regulation of sex establishments, namely sexual entertainment venues, sex shops and sex cinemas.
- 1.3 The council's licensing regime aims to ensure that sex establishments in the Borough operate in a safe, fair and discreet manner and are sensitive to the local area in which they are situated. Specific attention has been given to advertising, staff welfare, external appearance, locality and the number of licensed premises.
- 1.4 This policy also has regard to the guidance issued by the Home Office.
- 1.5 The council adopts the overall approach of encouraging the responsible promotion of licensed activities. However, in the interests of all its residents, it will not tolerate irresponsible licensed activity. The council will impose conditions where necessary to promote responsibility and will use effective enforcement to address premises where there are problems, in partnership with key agencies such as:
 - Surrey Police/ British Transport Police
 - Surrey Fire and Rescue Service
 - Health and Safety Executive
 - Safer Guildford Partnerships
 - Surrey Trading Standards
 - UK Border Agency
- 1.6 The council will monitor the effectiveness of this policy by way of regular meetings with key agencies and by regular open dialogue with the industry.

Public consultation

- 1.7 Prior to the adoption of the policy in 2018, a full public consultation took place. The consultation on the current version of the Policy took place between ##dates##.

Review

- 1.8 This latest draft of the policy contains only minor amendments and no changes to the intent or direction of the previous policy approved in September 2018.

Section 2 The scope of the licensing policy

- 2.1 This policy covers licensable premises and activities as defined by the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009 (the Act) within the Guildford Borough Council area. Schedule 3 of the Act is concerned with the control of sex establishments. A sex establishment means a sexual entertainment venue, sex cinema or sex shop.
- 2.2 A sexual entertainment venue (SEV) is a premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer. Relevant entertainment means any live performance or any live display of nudity which is provided solely or principally for the purpose of sexually stimulating any member of the audience. The full legal definition of a sexual entertainment venue can be found at paragraph 2A of Schedule 3 to the Act.
- 2.3 A sex cinema is a premises used to a significant degree for the exhibition of moving pictures which primarily portray sexual activity or acts of force or restraint which are associated with sexual activity. A full legal definition of a sex cinema can be found in paragraph 3 of Schedule 3 to the Act.
- 2.4 A sex shop is a premises used to a significant degree for the selling, etc. of sex articles or other items intended for use for the purpose of stimulating sexual activity or acts of force or restraint. A full legal definition of a sex shop can be found at paragraph 4 of Schedule 3 to the Act.
- 2.5 Advice on whether a licence is required can be obtained from the Licensing team, Guildford Borough. Contact details are set out in Appendix 2.
- 2.6 Throughout this policy the wording will refer to ‘applicants’ for licences. However it should be noted that the principles set out within this policy apply equally to new applications, renewals and transfers.
- 2.7 This policy seeks to provide guidance to applicants about the approach they should take to making applications and the view the council is likely to take on certain key issues.
- 2.8 The Council will take this policy into account when determining applications, however each application will be considered on its merits at the time the application is made.

Section 3 The Guildford Borough Council area

- 3.1 The borough is the second highest populated district in Surrey with 146,800 residents in 2016. The major urban areas are located in the town centre of Guildford and on the western fringes of the borough adjacent to Aldershot town.
- 3.2 Guildford Borough is also the second largest borough in the county, covering approximately 269 square kilometres (104 square miles) of which 89% is land designated as Green Belt. Outside the urban areas and villages, rural areas contain the Surrey Hills Area of Outstanding Natural Beauty covering 99 square kilometres, several sites of importance for nature protection and areas of special scientific interest. The borough also has a rich and varied architectural heritage, including 36 scheduled ancient monuments.
- 3.3 Guildford is mostly an affluent area with relatively low unemployment and low levels of crime. Most residents are healthy and enjoy well above average life expectancy. The workforce is generally well-educated and highly skilled.
- 3.4 The town centre is a focus for major commercial and administrative functions and is a principal regional shopping destination, with a vibrant night time economy.
- 3.5 In 2014 the town was awarded Purple Flag, recognising excellence in the management of the town centre at night. This prestigious award demonstrates the Council and the other Purple Flag Partners' ambitions to develop and improve the night time economy, encouraging a broad outlook on how the town is presented at night and tackling all aspects from cleanliness to access and transport, street lighting to signage, entertainment variety and choice of styles in bars, clubs and restaurants. In order to retain this award, the Council, corporately, is keen to encourage a diverse entertainment economy, and recognises that the SEV sector may contribute to this area.
- 3.6 The borough attracted over 4.9 million day visitors in 2016 and 351,000 staying trips, generating about £338.4 million in tourism income for local businesses, supporting around 6,167 actual jobs.
- 3.7 Guildford's successful economy measured against a range of indicators has made it a place where businesses want to locate and grow.
- 3.8 The Vision in The Corporate Plan 2018-2023 states the desire is for Guildford to be:
"..a town and rural borough that is the most desirable place to live, work and visit in South East England."
- 3.9 The fundamental themes and strategic priorities which support this vision are:
- Place-making** Delivering the Guildford Borough Local Plan and providing the range of housing that people need, particularly affordable homes
 - Making travel in Guildford and across the borough easier

Regenerating and improving Guildford town centre and other urban areas

Community

Supporting older, more vulnerable and less advantaged people in our community

Protecting our environment

Enhancing sporting, cultural, community, and recreational facilities

Innovation

Encouraging sustainable and proportionate economic growth to help provide the prosperity and employment that people need

Creating smart places infrastructure across Guildford

Using innovation, technology and new ways of working to improve value for money and efficiency in Council services

3.10 This licensing policy seeks to promote licensing within the overall context of the three fundamental themes of the Corporate Plan 2018-2023.

Section 4 Integrating other guidance, policies, objectives and strategies

4.1 In preparing this licensing policy the council has had regard to, and sought to integrate the licensing policy with, the following strategies:

- Corporate Plan 2018 - 2023
- Visitor Strategy
- Economic Strategy
- Local Plan
- Public Health and Wellbeing Strategy
- Community Safety Strategy
- The Purple Flag Award

Other policies

4.2 The council (through its Licensing Committee) may, from time to time receive reports on other policies, strategies and initiatives that may impact on licensing activity within the remit of the committee. Subject to the general principles set out in Section 7 it may have regard to them when making licensing decisions.

4.3 The Committee may, after receiving such reports, make recommendations to the council or other bodies about the impact of the licensing policy on such policies, strategies and initiatives. Equally the Committee may make recommendations relating to the impact of such policies, strategies and initiatives on the licensing policy. This may include recommendations to amend the licensing policy itself.

Section 5 General principles

- 5.1 In determining a licensing application the overriding principle will be that each application will be determined on its own merit, taking into account local knowledge, this licensing policy and the guidance issued by the Home Office. Where it is necessary to depart from the guidance or this Policy the council will give clear and cogent reasons for doing so.

Mandatory grounds for refusal

- 5.2 Applications for sex establishment licences must be refused on the following mandatory grounds:
- if the applicant is under 18,
 - if the applicant has a disqualification following the revocation of a previous licence,
 - if the applicant does not have the required right to work,
 - if the applicant has been refused a licence for the same premises within the previous 12 months.
- 5.3 These matters are considered by licensing officers with the appropriate delegations on determination of the licence.

Discretionary grounds for refusal

- 5.4 There are also a number of discretionary grounds. These are:
- if the applicant is considered unsuitable,
 - if the business would be managed by or for the benefit of a third party who would be refused a licence in their own right,
 - that the number of sex establishments or of sex establishments of a particular kind in the locality equals or exceeds the number considered appropriate,
 - if the grant is inappropriate having regard to:
 - the character of the relevant locality
 - the use of any premises in the vicinity
 - the layout, character, or condition of the premises.

Suitability of applicant

- 5.5 In considering whether the applicant is suitable to hold a licence, the council will take into account such matters as it considers to be relevant, including but not limited to whether the applicant:
- is honest
 - has a clear understanding of the conditions that may be attached to the licence
 - has a suitable business plan which will deliver compliance with the standard conditions.
 - has no unspent convictions of a nature that deem him/her unsuitable.
 - Suitability of manager or person for whose benefit the business would be carried on
- 5.6 The council will require the applicant to identify the proposed manager or person for whose benefit the business would be carried on. In considering the suitability of these

persons the council will apply the principles at 5.5.

Appropriate numbers and localities

- 5.7 The council may set the upper and lower limit that it considers an appropriate number of SEVs for a particular locality and it can be set as nil. The Council may also refuse an application if we are satisfied that the number of sexual entertainment venues in the relevant locality at the time the application is made is equal to or exceeds the number, which we consider is appropriate for that locality.
- 5.8 In deciding the policy to adopt in relation to this discretionary ground, the council has taken into account the matters set out in sections 2 to 6 of this policy. It has been influenced by the following considerations.
- 5.9 The Council has taken account of its own corporate strategies and priorities as represented by its Corporate Plan 2018-2023, Visitor Strategy and Economic Strategy. The council believes that, in taking these strategies into consideration, SEVs are not in accordance with a culturally rich and diverse Borough. In particular SEVs tend not to be inclusive facilities, appeal only to a narrow sector of the community and are unlikely to enhance the cultural reputation of the Borough.
- 5.10 It recognises that a nil per locality policy may reduce the employment opportunities for dancers. However it also recognises that those working in SEVs are often peripatetic and self-employed and will retain the opportunity to find employment as performers in other venues in Surrey or in other roles in the entertainment industry. The council believes that, on clear balance, in gender equality terms, its policy is both supportable and correct. The Council have decided not to set an upper or lower limit but to consider each application on its merits.
- 5.11 The council believes that the types of premises listed below are sensitive and that SEVs are generally not appropriate near them.
- Schools and other areas of education
 - Play areas/parks
 - Youth facilities
 - Residential areas
 - Women's refuge facilities/ rape and sexual assault counselling venues
 - Family leisure facilities such as cinemas, theatres and concert halls
 - Places of worship
 - Places used for celebration or commemoration
 - Cultural leisure facilities such as libraries, museums

- Retail shopping areas
- Historic buildings
- Hotels

5.12 The Council has determined that rural and residential are particularly unacceptable as localities for SEVs to be located in.

5.13 The council has not determined a limit on numbers or locality in relation to sex shops or sex cinemas. These applications will be dealt with on a case by case basis but applicants can be guided by the criteria mentioned at 5.4 to 5.6.

Human Rights

5.14 The European Convention on Human Rights makes it unlawful for a public authority to act in a way that is incompatible with a Convention right. The council will have particular regard to the following relevant provisions of the European Convention on Human Rights:

- **Article 6** that in determination of civil rights and obligations everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.
- **Article 8** that everyone has the right to respect for his home and private life.
- **Article 10** that everyone has the right to freedom of expression.
- **Article 1 of the first protocol** that every person is entitled to the peaceful enjoyment of his or her possessions, including for example a licence.

The Provision of Services Regulations

5.15 The Provision of Services Regulations 2009 implements the European Services Directive.

These regulations ensure that any refusal of a licence is:

- **non-discriminatory** in regard to nationality,
- **necessary** for reasons of public policy, public security, public health or the protection of the environment and
- **proportionate** with regard to the objective pursued by the legislation.

5.16 The council will consider these three issues in relation to the refusal of licence applications.

Crime and Disorder Act 1998

5.17 The Crime and Disorder Act 1998 places a duty on the council to exercise its functions with due regard to:

- Crime and disorder in its area (including anti-social and other behavior) adversely affecting the local environment;
- The misuse of drugs, alcohol and other substances.
- Re-offending in its area.

5.18 The council will have particular regard to the likely effect of the determination of licence applications on these issues and the need to do all that it reasonably can to prevent them.

Equality Act 2010

- 5.19 The Equality Act 2010 places a duty on the council to exercise its functions with due regard to the need to:
- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Equality Act 2010;
 - Advance equality or opportunity between persons who share relevant protected characteristics and person who do not;
 - Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
- 5.20 The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 5.21 The council is aware that sex establishments tend to be predominantly marketed to men and that the licensing of these establishments must not encourage discrimination against women especially in regard to women who work at the premises, women who may wish to visit the premises or women who are using the area for other purposes but who may feel intimidated by the presence of such premises.
- 5.22 Accordingly, due regard has already been and will continue to be given during the review of this policy, to the determination of licences and the attaching of conditions.

Planning

- 5.23 The use of premises is subject to planning control. Such use will require planning permission or must otherwise be lawful under planning legislation. Planning permission is generally required for the establishment of new premises or the change of use of premises.
- 5.24 In general, all premises which are the subject to an application should have the benefit of appropriate planning permission, or be deemed permitted development. The onus will be on the applicant to demonstrate that planning permission has been granted or that the premises have the benefit of permitted development rights. Failure to do so may result in objections and the licence being refused or granted subject to conditions which take account of the planning permissions in existence.
- 5.25 In addition, all new developments and premises which have been subject to structural alterations since 1994 will have building control approval in the form of a Building Regulations Completion Certificate. The onus will be on the applicant to demonstrate that any structural alterations have been approved by building control. Failure to do so may result in objections and the licence being refused or granted subject to conditions.
- 5.26 Any decision on a licence application will not consider whether any decision to grant or refuse planning permission or building consent was lawful or correct.

Staff Training

- 5.27 The council recommends that all persons employed on licensed premises be encouraged to attend training programmes to raise awareness of their responsibilities and particularly of the offences contained within the Act and the conditions of the

licence. Where recognised training programmes are not available employers should ensure that their employees are advised of their responsibilities and the offences under the Act.

- 5.28 All persons employed on licensed premises should be provided with in-house training on basic public safety and the housekeeping arrangements relative to those premises. Depending on their job role, this may include training in first aid, age verification policies, basic health and safety, fire safety and so on.
- 5.29 Licensed premises will be required to record training undertaken by staff in their staff records. These records will be made available for inspection on request to an authorised officer or the police.

Advertising

- 5.30 As part of the standard conditions attached to licences there is a requirement that all advertising and the external appearance of the premises must be approved by the council.
- 5.31 This approval will be considered at a sub-committee hearing or officer with appropriate delegated authority. Applicants will be entitled to attend the hearing. Please contact Licensing for further information on how to submit changes to advertising material and external appearance. Planning permission may also be required which is a separate process.

Exemptions

- 5.32 Under the Act there is an exemption from the licensing requirements for sexual entertainment venues which provide relevant entertainment on an infrequent basis. These are defined as premises where:
- relevant entertainment has been provided on no more than 11 occasions within a 12 month period;
 - no such occasion has begun within a period of one month beginning with the end of any previous occasions and
 - no such occasion has lasted longer than 24 hours
- 5.33 This exemption does not apply to sex shops or sex cinemas.

Section 6 Application Procedure

The application process

- 6.1 Applications must be made to the council in the form prescribed. Guidance is available to applicants setting out the detail of the process.
- 6.2 An operator's suitability will be checked before a licence for a sex establishment is granted. Depending on the individual circumstances this may be achieved by the following means:
- Application form
 - Disclosure and Barring Service check (basic or enhanced)
 - Personal interview either in person, at a hearing, by phone or in writing
- 6.3 In the first instance, the application will be sent to Surrey Police who may conduct a check. The operator's suitability will be checked using the application form and the personal information forms. Applicants may be asked to provide basic or enhanced DBS checks, or attend an interview, to support their application.
- 6.4 The suitability of the applicant is important to ensure that the interests of the public are protected. The council will use the methods described above to ensure that the proposed operator:
- is honest
 - has a clear understanding of the conditions that may be attached to the licence
 - has a suitable business plan which will deliver compliance with the standard conditions.
 - has no unspent convictions of a nature that deem him/her unsuitable.
- 6.5 Applicants for sexual entertainment venue licences will also need to show they have:
- a clear employees' welfare policy
 - a clear code of conduct for employees
 - a clear code of conduct for customers
 - a clear policy on pricing, and
 - protect the interests of their customers
- 6.6 The council will take all of these criteria into account when determining the licence. Non-compliance with one or more of the criteria will not necessarily exclude the operator from holding a sex establishment licence, providing the applicant is able to prove to the council that the interests of the public are protected.

Third Party Beneficiaries

- 6.7 In order to protect the public interest it is important to establish the hierarchy of the operator's business. Information will be sought and enquiries made into the operator's company structure to ensure that the operator is not working on behalf of an individual or company that would not be granted a licence in their own right.
- 6.8 Enquiries may be made via the application form, checks with Companies House, Surrey Police, British Transport Police, personal interview or applicants may be asked to provide business records.

Fees

6.9 The council has set a reasonable fee. The fee is based on the recovery of costs incurred by the council in determining the application.

Notices

6.10 The applicant must advertise the application in three ways:

- Advertisement in a local newspaper within 7 days of making the application
- Advertisement at the premises by way of a site notice for 21 consecutive days
- Notice of the application must be sent to the Chief Officer of Police for Surrey within 7 days of making the application (unless the application is made electronically).

6.11 Proof that the applicant has advertised the application will be required.

Objections

6.12 Anyone can object to an application for a sex establishment licence. Objections must be received by the council no later than 28 days after the date of the application. These objections can be received from individuals or businesses and should be relevant to the grounds on which a licence can be refused set out in Section 7. The Council cannot take into account objections based on moral values.

6.13 Guidance on making an objection can be found on the council's website.

6.14 The council will notify the applicant in writing of the general terms of any objection it receives. However objectors will remain anonymous, unless they agree that their identity may be revealed and efforts will be made to ensure that the contents of the objection do not disclose the objector's identity.

6.15 If objectors wish for their details to be released to the applicant they should make this clear in their objection.

Hearings

6.16 The council has appointed a licensing committee of 15 Councillors. Licensing functions will often be delegated to a licensing sub committee of 3 councillors or, in appropriate cases, to officers of the council such as applications where there are mandatory grounds for refusal.

6.17 All new, renewal and transfer applications will be determined by a sub-committee of three members of the Licensing Committee or officers with the appropriate delegation.

6.18 It is the council's practice to provide notice of the hearing to all interested parties (applicants and objectors) five days before the hearing.

6.19 This notice will give the date of the hearing, the procedure for the hearing, state any points on which the council requires clarification at the hearing, and will require the addressee to confirm their attendance and the attendance of any witnesses they may wish to call.

The hearing will normally take place in public.

- 6.20 Councillors will have regard to the Guildford Borough Council Code of Conduct for Councillors. Where a Councillor who is a member of the Licensing Committee or sub-committee has a prejudicial interest in the application before them, in the interests of good governance they will disqualify themselves from any involvement in the decision making process in respect of that application. Wherever possible, members will not hear applications from within their own ward to avoid any appearance of bias.
- 6.21 The Licensing Committee will refer an application to the council where it is unable to deal with the application because of the number of members unable to vote on the matter in question.

Reasons for decisions

- 6.22 In determining licence applications under the Act the council will take into consideration the application before it and any relevant objections received, as well as local knowledge including knowledge as to local issues and cultural sensitivities.
- 6.23 Every decision to refuse a licence will be accompanied by clear reasons for the decision.
- 6.24 Every effort will be made to provide an oral decision at the sub-committee hearing, with the written reasons to follow in due course. However if the Sub-Committee feel that they need further time to consider the matter fully, they may reserve their decision, in which case the parties will be notified of the decision and reasons for it in writing as soon as possible after the conclusion of the hearing.

Conditions

- 6.25 The council will normally impose standard conditions on all licences. However, if deemed necessary in any particular case, the council may change, alter or replace the standard conditions or any of them with conditions that are specific to the application before them. Please see Appendix 1 for the standard conditions.
- 6.26 If the standard conditions are changed, the revised conditions will be applied to existing licences when they are renewed or transferred.
- 6.27 The Home Office document “Sexual Entertainment Venues – Guidance for England and Wales” discusses the interplay between conditions on a premises licence granted under the Licensing Act 2003 and those applied to a sex establishment licensed under the Local Government (Miscellaneous Provisions) Act 1982. It states at Paragraph 4.16 that:
- “In cases where conditions on a premises licence or clubs premises certificate are inconsistent with, and less onerous than, the condition in the licence granted under the 1982 Act they shall likewise be read as though they have been deleted.”*
- 6.28 Therefore if there are any conditions on the sex establishment licence which conflict with and are more onerous than a condition on the Licensing Act premises licence, the Licensing Act condition will cease to apply.
- 6.29 Conditions on the Licensing Act premises licence which only apply to relevant

entertainment shall be read as if they were deleted. This is to avoid duplication.

Right of Appeal

6.30 Only the applicant has the right to appeal the council's decision to the Magistrates' Court and only then on limited grounds. There is no right of appeal for objectors. Applicants and objectors are referred to paragraph 27 of Schedule 3 to the Act for further details.

Period of licence

6.31 A sex establishment licence will remain in force for a fixed period, which shall be no more than one year, unless brought to an end earlier as a result of the licence being surrendered or revoked. A fee is due with the application.

Renewal, Transfer

6.32 The process for applying for a renewal or transfer of the licence is the same as when applying for a new licence. Guidance for applicants is available on the council's website. A fee is due with the application.

Variation

6.33 At any time, a holder of a licence can apply to vary the terms, conditions or restrictions of a licence. There are some matters, required under the standard conditions, for which the premises licence holder is required to notify the council. These matters may include:

- Minor internal structural changes (moving of existing fixed furniture, etc.)
- Change in personnel
- Amendment of the approved advertising material
- Change of name of premises

6.34 However as there is no requirement to advertise a variation, licence holders should contact Licensing before making their application to discuss if a new application is more suitable. In general any variation which affects the matters mentioned in Section 1 will require a new application.

Revocation

6.35 If information is received by the council that circumstances have changed in such a way that the licence holder is deemed unsuitable or that the manager or person for whose benefit the business is carried on is unsuitable such that an application for a new licence would be refused, the council may revoke the sex establishment licence.

6.36 Should the council consider revocation of the licence to be appropriate the licensee will be provided an opportunity to appear before the Licensing Sub-Committee and be heard by them.

6.37 If the licensee so requests, the licensee will be given a statement in writing of the reasons for revocation within seven days of the request being made.

6.38 The revocation will take effect once the appeal period has expired, or if an appeal is

lodged after the determination or abandonment of the appeal.

Waiver

- 6.39 Should the council decide that the requirement to hold a licence would be unreasonable or inappropriate, it may waive the need for a licence. Examples of cases where such waivers could be applied could include a medical book shop, sex clinic, in borderline cases, or for minor or temporary events.
- 6.40 The council would only waive the need for a licence where the activity is low risk and/or temporary. A waiver will not be granted in cases where it is appropriate for the activity to be covered by licence conditions.
- 6.41 The application for a waiver should be on the same form as an application for a new licence; however it should be accompanied by a letter which describes the circumstances in which the request for a waiver is made. There will be no requirement to advertise the application. Further information can be found on the council's website, or by contacting Licensing.
- 6.42 The decision on the application for a waiver will be taken at the next available licensing sub-committee hearing or by officers with the appropriate delegation and, if granted, a Notice of Waiver will be issued.
- 6.43 Unsuccessful applicants for waivers will be notified accordingly and provision will be made for them to make a formal application for a sex establishment licence.

Section 7 Enforcement

7. Enforcement principles

- 7.1 The council will work closely with partners in accordance with a locally established joint enforcement protocol and will aim to promote the licensing objectives by targeting known high risk premises following government guidance around better regulation.
- 7.2 In carrying out its enforcement duties with regards to the inspection of premises and the powers to institute criminal proceedings in respect of certain offences under the Act, the council will endeavour to be:
- proportionate: regulators should only intervene when necessary, remedies should be appropriate to the risk posed, and costs should be identified and minimised;
 - accountable: regulators must be able to justify decisions, and be subject to public scrutiny;
 - consistent: rules and standards must be joined up and implemented fairly;
 - transparent: regulators should be open, and keep regulations simple and user friendly; and
 - targeted: regulation should be focused on the problem, and minimise side effects.
- 7.3 The council will endeavour to avoid duplication with other regulatory regimes so far as possible.
- 7.4 The council will also adopt a risk-based inspection programme in line with government recommendations around better regulation and the principles of the Hampton Review.
- 7.5 The main enforcement and compliance role for the council in terms of the Act will be to ensure compliance with the conditions placed upon the licence and investigate and take appropriate action on unlicensed premises.
- 7.6 The council will also keep itself informed of developments as regards the work of the Better Regulation Delivery Office in its consideration of the regulatory functions of local authorities.
- 7.7 The council's enforcement policy is available on www.guildford.gov.uk.

Appendix 1 Standard Conditions

These conditions will generally be attached to all licences granted under the Act. These conditions may be dispensed with, added to or modified by the council where appropriate. Where, in these conditions, there is a reference to the consent of the council being required, the consent may be subject to terms, conditions and restrictions as appropriate.

In accordance with Home Office guidance, where a condition is inconsistent with and is more onerous than a condition in a Licensing Act premises licence, the Licensing Act condition shall cease to apply.

Sexual Entertainment Venues

General

1. Unless stated otherwise, the licence hereby granted shall operate for one year from the date on the licence, after which it shall cease to be in effect, unless an application for renewal is submitted in the manner prescribed by the council.
2. The licensee shall operate a code of practice for dancers and code of conduct for customers. These documents must be approved by the Council and Surrey Police and shall be made available to any police officer or authorised officer of the Council on request.
3. Price lists for both drinks and sexual entertainment and the code of conduct for customers shall be clearly displayed at each table and at each entrance to the premises.
4. Price lists and the code of conduct for customers must be printed in a manner which is clear and easy to read.
5. Suitable and sufficient training is to be provided to all staff including the responsible person as described in condition 28. A training record shall be kept for each member of staff and the training record shall be made available upon request to any police constable or authorised officer of the Council.
